County Council

Your Voice forum

11 - 25

If you are older than 11 years old and younger than 26 years old and have a special educational need or disability (SEND)

Then the Your Voice forum is a way for you to help children and young people who live in Norfolk get the right services and support.

The Your Voice forum has a meeting twice every term. At the first meeting, we ask you your views on things like

- Education
- Getting a job
- Keeping healthy
- Being independent
- Enjoying good social and leisure activities
- Finding somewhere to live.

At the second meeting, the Local Offer team will tell you how we have changed the SEND Local Offer for children and young people's websites and services.

How do we currently give information and receive the views of children and young people
