

Identify support required

TITAN liaise with schools, EHCP's and parents/carers to find out who may best benefit from travel training or specialist transport.

If specialist transport is recommended, the school & college transport team will allocate accordingly dependent on eligibility in line with the Post 16 transport policy.

Specialist Transport Transport may be available if travel training is not suitable

Support available when ready for progression

Travel Training

If travel training is recommended TITAN will make contact with parents/carers to outline the support available.
